No credit card required • 200 AI interactions included

# ✨ AI-Powered Intelligence

Your manufacturing AI assistant, always ready to help

## AI Coach

Get real-time guidance as you work through each A3 section. Our AI understands lean methodology and provides context-aware suggestions.

## AI Writer

Transform rough notes into clear, professional A3 documentation. Let AI help you articulate complex problems and solutions.

## AI Insights

Discover patterns across your projects. Get recommendations for countermeasures based on similar successful A3s.

Powered by Anthropic Claude Sonnet 4

Quota Management Built In 50-200+ interactions/month

# Everything You Need for A3 Problem Solving

Built by lean practitioners, for lean practitioners

## 8-Section A3 Methodology

Structured workflow following the proven A3 format:  
Background, Problem, Current State, Analysis,  
Target, Countermeasures, Implementation Plan, and  
Follow-up.

## Auto-Save

Never lose your work. Every change is automatically saved after 2 seconds. Work from anywhere, on any device, and pick up where you left off.

## Team Collaboration

Share projects with your team, collect feedback, and maintain visibility across your organization. Perfect for Obeya rooms and gemba walks.

## Progress Tracking

Visual progress indicators show completion status. Track multiple projects across your organization and see who's working on what.

## Industry Templates

Start faster with pre-built templates for quality issues, productivity improvements, safety incidents, cost reduction, and delivery optimization.

## Professional PDF Export

Generate presentation-ready A3 reports with your branding. Perfect for management reviews and stakeholder communication.

# Simple 4-Step Process

From problem to solution in minutes, not weeks

1

2

3

4

**Create Project**

Start a new A3 or use a template. Add your problem statement and team details.

**Get AI Coaching**

Work through each section with intelligent AI guidance. Get suggestions on every step.

**Collaborate**

Share with your team, get feedback, and refine your solution together.

**Track Results**

Monitor KPIs, track implementation, and measure the impact of your improvements.

# Simple, Transparent Pricing

Choose the plan that fits your team

**Starter****\$15**/user/month

- ✓ 10 active A3 projects
- ✓ 50 AI interactions/month
